The publication here to-day of the Mackey letter detailing fraud in the election at Charleston, and of the reports of several United States Supervisors from other parts of the State, have created a general sensation here. Even Democrats begin to admit that such loads are more than their party will be able to stand. A dispatch from Columbia brings information that the method of stuffing boxes at Charleston and in Beaufort county was employed in all districts in the State where the Republicans made opposition. The the Republicans made opposition. The small tissue paper ticket was issued in al these districts and made its appearance in nearly all boxes also. None of them were voted openly. They were folded in the larger regular tickets, and instances came to light in which twenty of them were thus deposited by one individual. It some boxes there were four times as man

Ciricaco, November 12.—The National and International Convention, held for the purpose of extending our foreign trade and to encourage a reciprocal trade on the American continent between Canada, United States, South American States, Mexico and Cuba, met at Farwell Hall at noon to-day. Over 300 delegates were present, nearly every city in the Union being represented. The Mexican Minister and a number of Congressmen were also in attendance. Secretary of the State Harlan, made the welcoming address and Hon. Emery A. Stores made a speech of some length.

Mr. Storrs welcomed the delegates to the cago as warmly as Mr. Harlow had wel-comed them to the State. He alluded to the propitious character of the times which now invited the extension of our re-viving trade and industry. He said we have learned that we cannot cut ourselves with them than to fight with then vantages would command. It is or-d that we are to possess this continent ill not fully and completely do this
